

REDmoney seminars

REDMONEY SEMINARS CALENDAR 2017

REDmoney seminars offer high-level, practitioner-led events on technical and strategic aspects of international finance to regulators, issuers, consultants and intermediaries. Leveraging on our highly regarded forums and training courses, REDmoney seminars provide a forum for quality discussion and information gathering in a small group setting, allowing delegates to interact with our experienced industry speakers in a format that will provide comprehensive knowledge on the very latest issues and trends.
