

# GlobalSadaqah.com

The **easiest** and **most effective** way  
to give Islamic Charity

# The Importance of this Platform

Muslims have the potential to give **\$ 500 billion** of **Zakat** every year, yet **millions** of Muslims around the world are poor and in desperate need

# Who are we?

We are a donation crowdfunding platform run by Ethis Ventures, a leading global fintech company focused on the Islamic economy.

# What do we do?

We make it easier for you to give impactful Sadaqah, Zakat and Waqf by matching you to credible Charity Partners on our platform.

# How is it done?

We bring together Corporate Donors, the public, Charity Partners and community leaders to crowdfund campaigns online.

# We're Islamic Digital Economy (IDE) Standards Compliant

The Islamic Digital Economy (IDE) Mi'yar (standards) are a set of standards for businesses and companies in Malaysia, to be followed in order to conform with Shariah principles.
